

**Survey Question:**  
*“Following the birth of your baby do you expect the level of support from family and friends to be:”*  
*compared with*  
*“Following the birth of your baby was the level of support from family and friends:”*

Information about the survey:

- 8 in 10 mums say that the support that they receive from family and friends, following the birth of their baby, is good.
- The expectations that pregnant women have, in the support they expect to receive from family and friends after the birth, is largely met in reality.
- However, 1 in 14 mums say that the support they receive is poor.
